

# AMICI

Hillside Pinot Noir  
2006  
Mendocino Coast

*Bring on the salmon, tri tip or  
Pasta; this was made for them!*

This wine is a blend of the Pommard clone and Dijon #115 & #777 clones. It comes from a vineyard high above the coastal town of Mendocino that has a total of eleven acres planted to pinot noir. The warm days and very cool nights provide a perfect climate to ripen the grapes to perfection! Its color is deep ruby-garnet, and has the aromatics of cranberry, loganberry, spice and forest floor. Its generous mouthfeel is like no other!
