

Olema

2007  
CABERNET SAUVIGNON  
NAPA VALLEY

This 2007 Olema Cabernet Sauvignon, made by Amici Cellars, is a blend of the best grapes from St. Helena and Calistoga areas of the Napa Valley. The wine displays aromas of currents, cedar and espresso followed with pronounced black fruit, toffee, and mocha flavors.

The wine pairs exceptionally with grilled and roasted prime stakes, lamb chops, and semi-soft cheeses.
