

Olema

2008
CABERNET SAUVIGNON
SONOMA COUNTY

This 2008 Olema Cabernet Sauvignon, made by Amici Cellars, is a blend of our best grapes from the Russian River Valley, Alexander Valley and Rockpile areas of the Sonoma Valley. This wine displays ample aromas of currants, cedar and espresso, followed by pronounced black fruits, toffee, and mocha flavors.

The wine pairs exceptionally well with grilled and roasted prime steaks, lamb chops, and semi-soft cheeses.
