

AMICI

2009 AMICI CELLARS
SAUVIGNON BLANC
NAPA VALLEY

CRISP MINERALITY and a hint of citrus balance the richness of guava, spice and honeysuckle in this graceful 2009 Amici Sauvignon Blanc. This Sauvignon Blanc is a blend of the best grapes (50% Musque clone and 50% #530 clone) from a small vineyard located on the valley floor between the town of Yountville and the Silverado Trail. Serve this food-friendly wine lightly chilled with grilled fish, poultry or light pasta dishes.
